CLINICAL SCHOLAR TRAINING PROGRAMME

Combined 4-year Residency and Masters Programme in Veterinary Oncology

Graduates in veterinary medicine, who have completed a rotating internship programme, are invited to apply for this combined Residency and Master`s degree by research. Applicants must be a Member of the Royal College of Veterinary Surgeons, or hold a veterinary degree qualifying them for membership. Candidates will be expected to study towards the European Diploma in Internal Medicine (subspecialty Oncology) and to undertake a Master`s degree by research in this field. The training programme requires participation in the hospital's clinical services, including provision of the out of hours service, in addition to small-group teaching of veterinary students. Scholarships are renewed annually, subject to satisfactory progress. Initial stipend is £30,447 (PAYE exempt), rising to £31,967 by the fourth year. An additional £1,500 per annum is available for attendance at conference(s), examination fees and externship costs.

Informal enquiries, in the first instance, should be made to Professor Jo Morris, e-mail: Joanna.Morris@glasgow.ac.uk
