

Internal Medicine Specialist – Perth, Western Australia

Who we are:

The Small Animal Specialist Hospital (SASH) is Australia's largest privately owned specialist referral and emergency network, providing care to more than 45,000 patients annually. With 4 hospitals across New South Wales, and one in Adelaide, we're excited to be hitting the shores of Western Australia for the first time in 2024! The SASH Perth hospital will provide a complete range of specialist clinical services in a collaborative and innovative setting. The SASH vision is to define excellence in animal healthcare; we achieve this by building cutting-edged hospitals, hiring great people, and cultivating strong teams. Caring for our people allows them to help pets and their families live their best lives. This is a truly exciting opportunity to join a great team and establish a sustainable and rewarding career in a dynamic city.

Ranked one of the most liveable cities in the world, Perth is where white sandy beaches and picturesque parks meet a thriving metropolis with a vibrant food and wine scene, amazing coffee, trendy local breweries, curated street art, and a busy local events calendar. Get your exercise in on the way to work with amazing cycle paths and fully equipped end of trip facilities at SASH Perth. Spend your weekends exploring the Perth surrounds; think quokka selfie at Rottnest, wineries in Margaret River, meeting the dolphins of Monkey Mia, walking the Bibbulmun track, mountain biking the Munda Biddi trail, and swimming with whale sharks in Exmouth to name a few. The Position:

SASH Perth is looking for passionate and collaborative Internal Medicine Specialists to join our multidisciplinary, specialist and emergency referral hospital. Not only will you be part of a large on-site team, but you'll have the opportunity to collaborate with more than 80 specialists across the SASH network. The Medicine network consists of 19 specialists, all of whom are friendly and happy to support their interstate colleagues. Candidates for this position must:

- Value a hospital culture of inclusivity, empathy and teamwork
- Be eligible to register as a veterinarian in Australia; and
- Hold a small animal internal medicine specialist qualification (FANZCVS, ACVIM, ECVIM-CA).

If you have completed an approved residency training program in small animal internal medicine but are yet to sit your exams, we'd still love to hear from you.

What's in it for you?

- Live in one of the world's most liveable cities, with time to enjoy it!

- Work in a veterinarian owned organisation with leaders who understand the priorities and purpose of specialty and emergency medicine
- Collaborate with a like-minded and dedicated group of SASH specialists, residents, nurses and support team members
- Attractive salary packages that encourage case collaboration across the hospital
- Significant contribution towards relocation expenses and full reimbursement of any required visa or travel permit costs
- Generous continuing education allowance and one week of conference leave annually
- 4 weeks of annual leave, and a workplace that encourages you to take leave
- Employee discounts and social events.

If you are interested in the prospect of relocating to an amazing country, offering stability and safety while valuing work-life balance, look no further than Australia! We can't wait to speak with you. Please reach out to our Talent Acquisition Partner Jessica, at vetcareers@sashvets.com for more information or to organise a confidential discussion.
