

UNIVERSITY OF
LIVERPOOL

FACULTY OF HEALTH AND LIFE SCIENCES

SCHOOL OF VETERINARY SCIENCE

DEPARTMENT OF SMALL ANIMAL CLINICAL SCIENCE

INTERN IN SMALL ANIMAL CARDIOLOGY GRADE 6

£32,333 pa

This 12-month junior clinical training post will be based in the Small Animal Teaching Hospital at Leahurst on the Wirral Peninsula. Facilities include a dedicated cardiology suite, state-of-the-art imaging and theatres. There is excellent multidisciplinary support. You will be MRCVS with an interest in developing clinical experience and acumen in small animal cardiology in a supportive environment, alongside residents and specialist clinic staff. This post provides an excellent opportunity to develop clinical skills in small animal cardiology in a referral environment. The post is available from 2nd January 2024.

The University has the right to close the vacancy early if it is deemed that there have been enough applications received.

Job Ref: 068807

Closing Date: 28 November 2023
