Position for a Veterinary Oncology Specialist in Geneva, Switzerland

About us

Our veterinary referral center in Geneva, Switzerland, is actively seeking a specialist in veterinary oncology to join our dedicated team.

The candidate

- Should hold ECVIM/ACVIM (Oncology) diplomate status or be board-eligible.
- Must excel as a team player and demonstrate the ability to work autonomously.
- Should be a good team player and must have both oral and written proficiency in the French language (level B2 required).

Our center

- Equipped with state-of-the-art facilities, we offer a comprehensive range of treatment and diagnostic modalities, including endoscopy with video-otoscopy and diagnostic imaging utilizing X-ray, ultrasound, CT-scan, and a C-arm for fluoroscopy.
- Our services encompass various specialties, including orthopedic, soft tissue, surgical oncology, ophthalmology, internal medicine and dentistry.
- We provide a dedicated rehabilitation center for dogs and cats, supervised by a physiotherapist, equipped with hydrotherapy units, i-moove systems, and laser therapy equipment.
- Additionally, we have a 24h emergency service with an in-house hospitalization service.

Our team

Our rapidly growing team comprises diplomates in various specialties, including small animal surgery (1 ECVS, 1 ACVS, ACVS Fellow Surgical Oncology), internal medicine (1 ACVIM), dermatology (1 ECVD), ophthalmology (1 ECVO), animal reproduction (1 ECAR) and sports medicine (1 ECVSMR).

What we offer

We provide a favourable working environment, serving referral clients from the entire region. Enjoy a competitive salary package and fixed working hours, without night or weekend duties.
