

DEPARTMENT OF MEDICINE AND EPIDEMIOLOGY
SCHOOL OF VETERINARY MEDICINE
UNIVERSITY OF CALIFORNIA, DAVIS

Assistant/Associate Professor of Clinical Small Animal Internal Medicine

The Department of Medicine and Epidemiology in the School of Veterinary Medicine at the University of California-Davis is recruiting for an Assistant/Associate Professor of Clinical Small Animal Internal Medicine.

QUALIFICATIONS: Veterinarian with advanced training in small animal internal medicine. Board certified or board eligible by the American or European College of Veterinary Internal Medicine – Small Animal is required. Clinical experience and competence in small animal internal medicine is required. Demonstrated aptitude/experience in teaching, particularly clinical instruction is required. Documented record of creative scholarship and evidence of clinical research activity in small animal internal medicine is required. Must possess excellent interpersonal and communication skills and a demonstrated ability to work with others in a collegial team atmosphere and demonstrated (or potential) accomplishment in areas contributing to diversity and inclusion.

Must be eligible for veterinary medical licensing in the State of California (California Business and Professions Code Section 4846-4857). Individuals must obtain a full CA license ([California Business and Professions Code Section 4846](#)) or a University license ([California Business and Professions Code Section 4848.1](#)) prior to beginning clinical duties.

The position includes a 70% clinical commitment to the Small Animal Medicine Service of the Veterinary Medical Teaching Hospital (VMTH). A complete position description can be found at: <https://recruit.ucdavis.edu/JPF06184>

To receive fullest consideration, applications must be received by January 21, 2024; position open until filled. To begin the application process, interested applicants should submit the following materials: 1) a letter of intent outlining special interest in the position, overall related qualifications and experience and career goals; 2) curriculum vitae; 3) a statement of clinical and didactic teaching philosophy; 4) a statement summarizing experience and professional contributions in the area of equity and diversity, and 5) the names and addresses of four professional references. Application materials must be submitted by using the University's online submission program, <https://recruit.ucdavis.edu/JPF06184>

The University of California, Davis and the Department of Medicine and Epidemiology, School of Veterinary Medicine, are interested in candidates who are committed to the highest standards of scholarship and professional activities, and to the development of a campus climate that supports equality and diversity. The University of California is an affirmative action/equal opportunity employer. UC Davis is a smoke and tobacco free campus.
