- Full-time or part-time position
- Generous daily rate & benefits that are reflective of the experience you bring to the position
- Tailored transport/accommodation benefits to suit your situation
- Flexible timing/duration

### The Location

Sydney Veterinary Emergency and Specialists is located in the beautiful suburb of Rosebery in Sydney. With its central location, Rosebery is a fantastic place to base yourself if you're wanting to explore Sydney. We're just a short 7km from the famous rainbow-steps at Coogee Beach, 10km from Bondi, and 7km from the iconic Sydney Opera House.

Rosebery is fast becoming the place for Sydney locals to visit on weekends, with iconic destinations such as The Cannery, The Grounds of Alexandria, Archie Rose Distillery, Rocks Brewing Co, Vive Cooking School and more. Rosebery is also home to all of the trendiest factory outlets for brands, including Zimmermann, Nude Lucy, Academy, Camilla and Marc, White Fox Boutique and more.

No matter how you enjoy spending your free time, there is something new and exciting to explore!

### About us

Sydney Veterinary Emergency & Specialists is a 1000m<sup>2</sup> purpose-built facility which in conjunction with our exceptional staff allows us to provide excellent care to patients. The referral team comprises of surgical, medicine, anaesthesia, imaging, dermatology and oncology specialists. The emergency service is a 24 hour a day service with a team of experienced and supportive Vets.

We are looking for a caring and professional internal medicine specialist with a positive outlook and approach to join the team on a permanent part-time or full-time basis. Whilst this is a permanent position, we welcome inquiries from specialists who are considering a locum stint in Sydney so if you're looking to venture Down Under we'd love to hear from you!

### The Opportunity

We are seeking expressions of interest from an internal medicine specialist, wanting to join our team on a long-term basis, in the beautiful Eastern Suburbs area of Sydney. You will be working closely with a supportive and professional team of specialists, interns and nurses with advanced specialty training. In this role, you will have access to various diagnostic equipment, including AGFA digital radiography, Philips Affinity and CX-50 ultrasounds, 16-slice GE Lightspeed CT, Olympus and Pentax endoscopy, full IDEXX internal laboratory, ventilators, and more. We also have ready access to same-day MRI.

We aim for clinical excellence within a working environment that promotes and encourages collegiality and communication. We have an incredible team culture, with a high degree of support across our various departments.

We are fortunate to be located in the stunning Eastern Suburbs area of Sydney, where our clients have a desire to pursue the highest standard of care. Our internal medicine specialists enjoy the opportunity to provide comprehensive, advanced patient care.

### **About you**

To be successful in this role, it is important that you are a qualified specialist, having achieved diplomate or equivalent status (ACVIM/ECVIM/FANZCVS), and that your qualification will be eligible for Specialist Registration with the Australian Veterinary Board Council. You are welcome to email us for more information about this, or you can refer directly to the guidelines of the Veterinary Practitioners Board of NSW.

### **Join our SVES family and enjoy the benefits:**

- Generous salary that is reflective of the experience you bring to the position
- If you've had an amazing time and don't want to go home we're able to assist with relocation and visa sponsorship for the right candidate including support with visa applications, Australian Veterinary Registration and tailored travel/accommodation assistance
- Great team culture with regular social events
- Good clientele and support staff
- Work-Life Balance
