

**The Cordeliers Veterinary Hospital (CHV) is seeking to appoint specialists in Internal Medicine, as soon as possible**

The CHV is located in Meaux (France), a middle-size city (80 000 inhabitants), steeped in history, and surrounded by beautiful & pleasant Briarde countryside.

Meaux is only 25min from Paris centre by local train & 35min by car. Disneyland Paris is 20min drive from the CHV, with a large train hub serving many destinations across France/Europe. Charles de Gaulle international Airport is only 20min drive as well.

#### **Equipment :**

Fully equipped state-of-the-art recent Hospital (2020), 64-slices CT, 1.5T MRI, numerous US machines, comprehensive Olympus endoscopy suite, fluoroscopy/C-arm, PACS, ICU unit.

#### **Staff :**

Existing Internal Medicine Unit with 5 full-time experimented veterinarians and dedicated nurses. Highly experienced staff in many disciplines related to Internal Medicine, including specialists in Surgery (ECVS), Neurology (ECVN), Diagnostic Imaging

<https://www.chvcordeliers.com>

(ECVDI), Cardiology, Ophthalmology and Exotics, alongside interns & residents. The whole team include nearly 100 persons (high nurse/vet ratio).

#### **Profile :**

The ideal candidate will be board-certified in Internal Medicine (ECVIM or/and ACVIM). If you are not diplomate yet but residency-trained, study time will be allowed for Board exam preparation (partially paid).

The ideal candidate(s) will be fluent in French (oral and written), or willing to learn. Couples are welcome, as we have other positions to offer ;-)

#### **Job/advantages :**

Adjustable work schedule (part-time or full-time position, 2 to 4 days/week), 6 weeks paid annual leave, very competitive salary package, attendance to national and international congresses/other CPD & premium health coverage fully supported by the hospital, many other group advantages.

#### **Application :**
