

## Internal Medicine Internship Position at The Ralph Veterinary Referral Centre

Are you a veterinary surgeon interested in and passionate about Internal Medicine?

We seek a dedicated, enthusiastic person like you to start a one-year specialist internship at The Ralph. The Ralph is the UK's largest independent multidisciplinary specialist referral centre for dogs and cats in beautiful Marlow, Bucks, west of London (just off the A404 with easy access from the M4 and M40 motorways).

The successful candidate will join our thriving Internal Medicine team. The team comprises six Board-certified Diplomates (two currently on maternity leave), one resident and two other interns. They work closely with our Senior Internal Medicine Nurse (VTS-holder) and other Internal Medicine nurses.

At The Ralph, you will be exposed to a full and varied Internal Medicine caseload. You will have access to various equipment, including all types of endoscopy, fluoroscopy, and CT/MRI. The team ensures opportunities to be fully immersed in all aspects of medical case management, including consultations, diagnostics, hands-on involvement in procedures and inpatient care. We are an enthusiastic and progressive team who thrive when teaching and evolving our clinical practice. Clinical research is actively encouraged and supported.

During the internship, you will participate in our Acute Medicine service and work in close contact with Diplomates in many disciplines. These include Anaesthesia and Analgesia, Cardiology, Dentistry, Diagnostic Imaging, Neurology, Oncology, Ophthalmology and Surgery (Soft Tissue and Orthopaedics) as well as our excellent Physiotherapy and Rehabilitation team. We have a busy Diplomat-led Emergency and Critical Care service from which we receive regular patient transfers.

The Ralph workplace focuses on core values, culture, vision and mission. We emphasise kindness, compassion and empathy for all our communities. As an independent hospital, we have the freedom and flexibility to chart our course. You will be supported by and have regular check-ins with our Resident/Intern Support Officers. We would love to hear from you if you want to know more.

Please contact Hannah Darcy (Lead of the Internal Medicine Vet Intern programme) at [hannah.darcy@theralph.vet](mailto:hannah.darcy@theralph.vet) for more information on the role.

### **\*To Apply\***

Please email [sophie.dowdeswell@theralph.vet](mailto:sophie.dowdeswell@theralph.vet) (PA to Shailen Jasani; Founder, CEO & Clinical Director) to apply.

Applications should include an up-to-date CV and a cover letter.

### **Requirements:**

- MRCVS (Visa sponsorship available, if time allows)
- English speaker (native, bilingual, professional)

Benefits:

- Salary: £31,000
- Others: Generous CPD allowance, support for Certificates and more.

Internships last twelve months, and we may extend them by mutual agreement.

We will remain open for new applications until we have filled all positions.
