

Veterinary Internal Medicine Specialist

Join our team at Beecroft Animal Specialist and Emergency Hospital, located in the vibrant city of Singapore. Embrace the fantastic quality of life and professional opportunities that come with living and working in this dynamic city-state.

About us:

Beecroft Animal Specialist & Emergency Hospital is the only independent referral veterinary hospital in Singapore.

Our 10,000 square foot facility is fully equipped and includes a CT and a 1.5 T MRI machine, fluoroscopy, two digital radiography rooms, ultrasound machines with echocardiography capability, endoscopy equipment, interventional radiology facilities, a comprehensive rehabilitation area, emergency treatment area, intensive care unit, dedicated dog, cat and exotics wards, and three surgical suites.

In addition to our 4 resident specialists in small animal medicine, small animal surgery, neurology and exotic companion mammals, we routinely host visiting specialists in complimentary services such as cardiology and orthopaedic surgery. Our emergency department operates around the clock, staffed by professional veterinarians and nurses ready to support our specialist departments. Our care extends beyond medical and surgical treatments. Certified hydrotherapists and rehabilitation practitioners are also available on site.

The Internal Medicine department currently comprises 1 Diplomate, 1 senior veterinarian and multiple veterinary interns, supported by an enthusiastic team of skilled nurses. The varied caseload provides ample opportunities for detailed diagnostic workups and interventional medicine. The ever-increasing demand for specialist services has created a unique opportunity for another internist to join the team.

Qualifications:

- We are seeking certified specialists: ECVIM, ACVIM, or FANZCVS.
- A Doctor of Veterinary Medicine (DVM/VMD) degree or equivalent qualification is a prerequisite.
- It is essential to hold a valid veterinary license in good standing and be eligible for licensure with the Singapore veterinary board.

If you are a passionate Veterinary Internal Medicine Specialist with a commitment to excellence, we want to hear from you! Join our dedicated team and contribute to the advancement of veterinary medicine in Singapore.

To apply, please send your resume and cover letter to careers@beecroft.com.sg. We look forward to hearing from you and discussing this exciting opportunity further.
