

Veterinary Referral Hospital

Medical Oncologist

The Veterinary Referral Hospital has been providing veterinary referral and emergency services to the pets of Melbourne for over 25 years. As such, we take great pride in delivering the highest possible standards of veterinary medicine and customer service. Our hospital is a brand new purpose-built 24-hour ECC and referral facility. We have all the gadgets you need to ensure you can practice at your best and continue to learn new skills. More importantly, we have the only truly multi-disciplinary veterinary team in Victoria, including specialists and registrars in Emergency and Critical Care, Internal Medicine, Surgery, Diagnostic Imaging, Neurology, Anaesthesia and Oncology. Our emergency and critical care caseload is incredibly varied, interesting and challenging.

About Your New Role

VRH has an exciting opportunity for a Medical Oncologist to join our large multi-disciplinary and emergency hospital. Our specialists are supported by an expertly trained and highly experienced team of veterinary professionals and are expected to lead by example, sharing their knowledge and experience with others so we can grow together. We offer a healthy work environment with flexible work arrangements, mental health support and networking, collaboration and knowledge exchange throughout the Greencross group.

At VRH we provide the specialised equipment and expertise beyond what can be delivered in general veterinary practice. Our new hospital features advanced surgical theatres, imaging suites, dedicated canine and feline intensive care units, custom built 1.5T MRI, CT, digital x-ray, ultrasound, fluoroscopy and lots more.

About You

As a successful candidate, you will possess the following skills and attributes:

- A veterinary degree registerable in Australia with specialist qualifications (FANZCVS, ACVIM or ECVIM Board-certified) is required
- We are also keen to hear from Veterinarians who have finished residency programs
- Commitment to gold standard patient care and a “fear-free” approach to patient handling
- The confidence and initiative to work autonomously yet lean on your team as needed

We Offer

This position offers an opportunity to work with some of the best clinicians in their field, in a professional and challenging yet enjoyable workplace. You will join a business that is committed to their people and sees diversity and inclusion as more than just policies and practices. In addition to this, we offer:

- **A generous and personalised salary package** commensurate with experience
- **A 4-day work week** allows you to enjoy a fantastic work-life balance
- **Relocation allowance and Australian visa support**
- Continuing Professional Education allowance and opportunities
- **6 weeks paid parental leave** and flexible return to work programs
- **Free access to confidential Employee Assistance Program** Telus 24/7

- ARH, Petbarn & Greencross discounts + access to our Flare benefits program
