

Experienced specialist veterinarians/diplomates (all genders) for Internal Medicine

full or part-time at the earliest possible date

About Kleintierklinik Frank

The family-run Kleintierklinik Frank is one of the largest referral and emergency clinic in southwest Germany with 24/7 critical care coverage. Our constantly growing team currently comprises more than 100 colleagues and offers a full range of specialty services in internal medicine, surgery, imaging, ophthalmology, anesthesia and physiotherapy. Our facility provides a fully equipped in-house laboratory, CT, MRI, digital X-ray, dedicated abdominal and cardiac ultrasound and video endoscopy. Partnerships with diagnostic laboratories are available for further diagnostics.

Through a supportive, cooperative work environment and state-of-the-art equipment and facilities, we strive to provide exceptional care to our patients everyday. We serve Freiburg, the surrounding Black Forest region and beyond.

Our goal is to promote a healthy working environment centered around cooperative teamwork, respectful interaction with each other and the enjoyment of our work. To strengthen our team, we are looking for experienced, motivated specialists in internal medicine (all genders) on a full-time or part-time basis.

What we offer:

- Potential management function in the specialist area
- Extensive ICU/ward rounds and case discussions
- A modern and working environment and a team-based atmosphere
- Comprehensive support through individual training and continuing education opportunities including financial support
- Digital time recording and overtime compensation
- A wide range of employee benefits
- Support in finding accommodation and contribution to relocation costs
- The opportunity to work and live in one of the most beautiful cities of Germany in the beautiful Black Forest with an „enviable high quality of life“ (Lonely Planet, 2022)
- We are also happy to welcome your dog in our huge office-dog-family!

Requirements:

- Diplomate of the European/American College of Veterinary Internal Medicine (ECVIM/ACVIM); veterinary license to practice medicine
- Relevant experience in running internal medicine consultations and emergency consultations
- Knowledge of general hospital hygiene and infection prevention as well as knowledge of applicable anaesthetic and pharmaceutical legislation

How to apply: If you are interested in this exciting opportunity, please email your resume and cover letter to bewerbung@kleintierklinik-frank.de.

We look forward to getting to know you soon!
