

ProvenceVet is seeking a 2nd specialist in Internal Medicine

Since 2013 ProvenceVet is a private independent referral practice. The main activities of the clinic are centered around imaging, surgery and internal medicine with specialists in surgery (ECVS) and internal medicine (ACVIM). We are located in Avignon in the south of France. We receive patients only in the context of specialised and referred consultations.

Our team is composed of 3 veterinarians and 8 ASV with a goal to provide the best possible care and service to our patients and clients.

The internal medicine case load is growing, and a 2nd internist is now imperative. Among the equipments available at ProvenceVet you will find an endoscopy suite for digestive, respiratory and urinary endoscopies, a digital radiography, a state of the art HD ultrasound machine (Canon Applio a), a multi-slice CT scan (Canon Aquilion) and a 1.5 T MRI machine (Canon Elan).

A 750m² addition is currently under construction and will be completed in early 2025.

Candidate profile

The candidate must be eligible to practice in Europe as a veterinarian and be able to conduct consultations/phone conversations and write reports in French.

Why join us?

We are a human-sized clinic whose goal is to always provide the best possible care and services to our patients and clients. Work-life balance is one of our priorities, which is why we work 4 days per week and working hours are respected.

We are an independent practice, unaffiliated with any corporation, therefore we are able to work and develop as we desire. There are currently two associate Vets with plans to add more!
