

**SMALL ANIMAL MEDICINE SPECIALIST- PART TIME or FULL TIME
Western Australian Veterinary Emergency and Specialty, PERTH, AUSTRALIA**

WAVES (Western Australian Veterinary Emergency & Specialty) is currently seeking a qualified small animal medicine specialist (ECVIM or ACVIM,) or residency-trained board-eligible medic to join and further promote our medicine team for short to long term. The role could be full time (4-day per week) or part time (3-day per week) position, with plenty of time off to explore this beautiful part of the world.

Our medicine team consists of four ECVIM medicine Specialists and two ECVIM residents. WAVES is a truly multi-disciplinary hospital and believes in a team orientated approach to patient care with close interaction between our other specialties in Anaesthesia, Emergency and Critical Care, Surgery, Dermatology, Dentistry and Radiology. Our ECC clinic provides 24/7 support and care for our patients so that we can sleep well at night knowing that they are being well looked after.

Our beautiful 1400m² facility features an on-site 1.5T MRI, 64 slice CT, two C-arms, two digital radiography suites, feline radioiodine unit and endoscopic equipment. WAVES is located in Perth, on the west coast of Australia. Perth is an amazingly modern and beautiful city with a enviable climate. The lifestyle is relaxed with beautiful beaches, the wonderful waterways of the Swan River, fantastic wineries and other getaways within a short drive of the city, as well as a climate to envy.

We are searching for someone with personal drive for clinical excellence and be dedicated to providing awesome care for both your patients and your hospital team. Sponsorship for a visa to work in Australia will be provided.

If you would like to know more about this opportunity, please contact Dr Anna Tebb on anna@wavets.com.au.
