

## Join Our Growing Team as Head of Internal Medicine Specialist

-  Southpaws Specialty, Emergency & Referral Hospital – Moorabbin Victoria, Australia
-  Full time
-  Generous salary package dependent on experience level, plus other benefits including continued education allowance, leave entitlements, relocation support and wealth creation options
-  Visa and relocation assistance for the appropriate candidate

As Southpaws looks to expand their services across their 3 locations, we are seeking expression of interest from a Board-certified Internal Medicine Specialist or Residency trained Registrar to share our vision and become part of the team.

### Why work with Us?

As one of Australia's leading referral hospitals, Southpaws is committed to being the top choice for expert veterinary care. Our dedicated teams provide exceptional surgical, medical, oncology, and critical care in a professional and compassionate environment for pets and their families.

At Southpaws, we're redefining the veterinary workplace. We believe in fostering an environment where career growth is prioritized and supported. Our unique career pathways ensure you progress both professionally and financially, year after year.

We have 3 locations all uniquely appointed to optimise capability and efficiency. Some of our most valuable assets include our talented and experienced nurses, specialist led departments in surgery, oncology and anaesthesia and 24-hour care provided by our dedicated ECC teams.

We are a modern hospital contingent boasting EzyVet, Smartflow, Idexx and Cubex systems all integrating and designed to create a continuous digital patient journey from first appointment through to discharge. We are also equipped with state-of-the-art equipment including 16 slice CT, fluoroscopy, and digital radiography, electro-chemotherapy and comprehensive in-house laboratories.

### The Opportunity

With the expansion of our new hospital in Malvern, an opportunity has arisen for experienced Internal Medicine individuals to join our team working alongside our other Specialty departments. We are recruiting Medicine Specialists for our Moorabbin location to help develop and grow the Internal Medicine department. This is a unique opportunity to create a leading medicine service in one of Australia's best regarded referral hospitals.

We are looking for a talented team player that not only excels clinically and professionally; but has the vision to establish a dedicated medicine department as well as continue our proud heritage of training and mentoring future generations of veterinary professionals, this includes our skilled nurses and interns.

### **What's On Offer**

- Professional Membership fees fully reimbursed
- Visa and relocation assistance available for right candidate
- Join us in establishing and expanding our medicine department, with the chance to assist in recruitment, bring in your own team, and customise staffing to meet the department's needs.
- Innovative work environment that allows and encourages professional growth
- Industry-leading employee discount scheme for family pets
- Monthly company-wide social initiatives to support deep, genuine relationships with colleagues
- Join the growing network of VetPartners Specialty & Emergency hospitals - bringing together a connected community of dedicated experts leading the way in providing collaborative patient-centred care

At Southpaws, we're proud of our values and seek applicants who embody professionalism, integrity, trust, compassion, humour, innovation and teamwork.

Southpaws is an equal opportunity employer and recognises that diversity is crucial to our success. Whatever your identity and background, if this role sounds like you, then please [Apply Now](#)
