Why work with Us?

Peninsula Vet Emergency & Referral Hospital is the Mornington Peninsula's premier veterinary service group leading the way in providing excellence in patient care. The multi-disciplinary Referral Hospital is in a stunning fit for purpose building boasting the absolute best in team, equipment and professional opportunity.

Peninsula Vet Emergency & Referral Hospital is built on a strong, local legacy who are looking for their next Internal Medicine Specialist to contribute to their vision of offering primary clients and referring veterinarians, excellence in medical knowledge, diagnostics, and patient outcomes. Peninsula Vet Emergency & Referral Hospital prides itself on its friendly, collaborative, and supportive culture.

In addition, Peninsula Vet Emergency & Referral Hospital is powered by the VetPartners Speciality & Emergency network connecting a community of dedicated Specialists, Registrars and Residents from across the country.

As part of the VetPartners network, our teams have access to Veterinary Training Centres, 6 purpose-built training centres across Australia & New Zealand offering unmatched support for Continuing Professional Development providing the freedom to develop in the direction your passion takes you.

Working with Peninsula Vet Emergency & Referral Hospital offers flexibility that adapts to your needs, delivering professional clinical satisfaction combined with excellent work-life balance in one of the most beautiful parts of Victoria.

The Opportunity

We are looking to grow our Internal Medicine Department through the addition of a new Internal Medicine Specialist. Our Medicine Team primarily see referred and committed clients along with patients transferred through the in-house Emergency service.

Peninsula Vet Emergency & Referral Hospital offer a full range of disciplines including Critical Care, Surgery, Oncology and Diagnostic Imaging. The hospital is fully equipped including CT, ultrasound, endoscopy, laser and fluoroscopy. Experience with ultrasound is ideal however negotiable.

We are passionate about supporting the next generation of veterinary professionals through our internship program and extra-mural program partnership with the University of Melbourne Veterinary School. Our Internal Medicine interns support the Department through inpatient management, client communication and procedural support.

We are looking for a talented board-certified Internal Medicine Specialist who not only excels clinically and professionally but is ready to take on an exciting and sustainable role that rewards through excellent remuneration and work life balance.

What's On Offer

In addition to a fulfilling clinical caseload, Peninsula Vet Emergency & Referral Hospital offers you:

- Generous salary package, tailored to your experience and position.
- Visa and relocation assistance available for eligible candidates
- Generous Continuing Professional Development (CPD) allowance
