

Menschlich. Professionell.  
Wertschätzend.

Join our dedicated Team at Tierklinik Oberhaching as

## Specialist in Veterinary Oncology (ECVIM/ ACVIM) (m/f/d)

Full-time (40 hours per week) with highly flexible working hours

### You' ll be a perfect fit for us if you bring the following:

- A completed degree in veterinary medicine and possession of a valid veterinary license
- Practical experience as a specialist in internal medicine (m/f/d) with oncology experience
- Ideally, you are a Diplomate (ECVIM) or have completed a residency in oncology
- You enjoy sharing your knowledge with colleagues and are highly motivated to continue your education
- A motivated, team-oriented, and independent working style
- An interest in long-term and cooperative collaboration
- German language skills, preferably at least B1 level

### Your responsibilities:

- Treatment and expert consultation for oncology patients and their owners
- Clinical diagnostics and therapy
- Optional: surgical treatment and operative removal of tumors
- Supportive treatment through biological tumor therapy, chemotherapy, and radiation
- Training of specialist trainees and interns (m/f/d)

### Why choose Tierklinik Oberhaching:

- A modern clinic environment in the south of Munich with state-of-the-art medical equipment
- A recognized, established, and independent veterinary clinic offering expertise across all relevant specialties
- A highly motivated, collegial team with great team spirit
- Regular feedback, exchange, and development meetings
- Digital time tracking and the option to take time off for overtime
- Flexible working models, structured and forward-looking shift planning in alignment with your biorhythm
- An attractive compensation package, premium payments, and additional benefits such as housing and travel allowances, employee discounts, and more
- Continuous training and education, including a training budget
- Back care classes and other initiatives as part of our occupational health management
- Regular team events and company celebrations (TKO summer party and TKO christmas party)
- Subsidized meals, free fruit, and complimentary breakfast and snacks on weekends

## Would you like to become part of the TKO family?

### Tierärztliche Klinik Oberhaching

Tierklinik Oberhaching is a free and independent veterinary clinic, and together with its branch, the Small Animal Center in Percha near Lake Starnberg, it is the largest privately run veterinary clinic in Germany. For 30 years, Tierklinik Oberhaching has been treating small animals, particularly dogs and cats, across all relevant areas of veterinary medicine.

Over 250 employees, including 80 veterinarians, care for the well-being of our animal patients. At both locations, we ensure the highest veterinary standards alongside the latest technical advancements for our four-legged patients and their owners. In addition to treating emergencies 24/7, the clinic covers the full spectrum of small animal care, including anesthesia, internal medicine, surgery, dentistry, ophthalmology, neurology, dermatology, gynecology, and general health prevention. The clinic is equipped with state-of-the-art imaging diagnostics, including CT, MRI, Cone Beam, and CBCT. Both locations are modern and patient-centered, certified as "Cat-Friendly Clinics."

Tierklinik Oberhaching is solely owned by the six partners, who are also practicing veterinarians.
