

Oncologist – King Animal Hospital

King Animal Hospital is seeking a **Board-Certified or Board-Eligible Small Animal Oncologist** to join our multi-disciplinary team!

You will play an integral role in establishing and growing our **Oncology Centre of Excellence**, working collaboratively with a team of experienced specialists, Registered Veterinary Technicians, Animal Care Attendants, and Client Services Representatives. Your expertise will directly impact the lives of our small animal patients, providing cutting-edge cancer treatment and compassionate care.

About King Animal Hospital

King Animal Hospital is a new, privately owned, **60,000 sq ft Equine and Small Animal Multi-Specialty Referral & Emergency Services Hospital** located on **50 acres in King City, Ontario, Canada**, just minutes from downtown Toronto.

Designed with **employee wellness** and **gold-standard patient care** in mind, our hospital boasts:

- **Eight operating rooms**
- **Twelve exam rooms**
- **Dedicated Oncology Centre**
- **On-site in-house lab and pharmacy**
- **Two x-ray rooms**
- **Intensive Care Unit (ICU)**
- **Rehabilitation Centre**
- **Corporate gym and wellness spaces**
- **Large Learning Centre for professional development**

Our **future expansion phases** are already underway to further enhance our specialty services which will possibly include a 10,000 sq ft **oncology radiation centre**.

Join Our Multi-Disciplinary Team

You will be part of a dynamic and collaborative team of approximately **180 staff members**, including **Board-Certified Specialists** in:

- Small Animal Orthopedic Surgery
- Small Animal Soft Tissue Surgery
- Equine Surgery
- Internal Medicine
- Critical Care
- Neurology/Neurosurgery
- Anesthesia
- Dermatology
- Ophthalmology
- Cardiology
- Emergency Services
- Rehabilitation

We foster a **supportive, patient-focused, and collegial work environment** where specialists collaborate to ensure the best possible outcomes for our patients.

Advanced Diagnostics & Equipment

At King Animal Hospital, we utilize state-of-the-art diagnostic and treatment technology, including:

- **3T MRI (GE) for small animals**
- **1.5T MRI (Siemens) for equine patients**
- **CT-Scan with a robotic arm for equine (Universal Medical System)**
- **GE 128-slice CT scan for small animals**
- **Scintigraphy, C-arm, and Fluoroscopy**
- **Ultrasound and Digital Radiography**
- **High-flow oxygen and mechanical ventilation**
- **ECG, laser therapy, and hyperbaric chamber for wound healing**

Our **Rehabilitation Centre** includes:

- **Three canine hydrotherapy treadmills**
- **A canine rehabilitation pool**
- **An equine hydrotherapy treadmill**
- **Laser therapy (Companion Class IV)**
- **6000-square-foot indoor equine ring**

Location: King City, Ontario

Nestled in the picturesque **King City, Ontario**, our hospital offers the perfect blend of **rural tranquility and urban convenience**. With rolling hills, lush greenery, and excellent schools, this **family-friendly community** provides a peaceful lifestyle while being just minutes from **Toronto's vibrant cultural, entertainment, and dining scene**.

What We Offer:

At King Animal Hospital, we prioritize **compassionate care over production-based targets**. Our competitive compensation and benefits package includes:

- Relocation, LMIA and Work permit assistance – We cover all legal fees for immigration.
 - Relocation support – Financial assistance to help you settle in.
 - Competitive guaranteed salary (not production-based) plus signing or retention bonus.
 - Minimum 4 weeks of paid vacation, based on experience.
 - Annual continuing education budget and paid CE time.
 - Ten paid statutory holidays per year.
 - Flexible, compressed workweeks.
 - Generous personal and sick days.
 - 100% employer-paid health benefits, including dental, vision, travel insurance, life insurance, and more.
 - Employer-paid malpractice insurance and specialty dues.
 - Medical libraries, VIN, and Plum access.
 - Employee discounts on pet products and services.
 - Access to a dedicated Social Worker and in-house gym.
-

About You & How to Apply

Our ideal candidate is an **experienced Board-Certified (ACVIM-Oncology or ECVIM-Oncology) Veterinary Oncologist**. We also welcome **Residency-Trained candidates eligible for board examination**.

Qualifications:

- Licensed or **eligible for licensure with the College of Veterinarians of Ontario (CVO)**.
- Bilingual in French in English is strongly preferred but not required.
- A **team-player attitude** with leadership skills to **help train and mentor interns and technicians**.

- Excellent **customer service and communication skills** to build lasting client relationships.
- Strong **organizational skills and the ability to thrive under pressure**.
- A passion for **collaboration** and a **positive, supportive team environment**.
- Compassion for animals, colleagues, and clients.

To Apply:

Please submit your CV and cover letter to **Tammy Brumwell, Head of Human Resources** at **tbrumwell@kinganimalhospital.com** or call **+1-365-340-5518** for more information.

Join us in making a **meaningful impact** in veterinary oncology while enjoying an exceptional quality of life in King City, Ontario!
