Experienced Veterinarians (m/f/d) – Internal Medicine

Are you an experienced veterinarian with a passion for internal medicine? Do you thrive in a collaborative, modern, and well-equipped environment? If so, we'd love to hear from you! At Kleintierklinik Frank, we are looking for dedicated and skilled veterinarians for internal medicine (m/f/d) to join our team—full-time or part-time.

What We Offer You:

- ✔ Career Growth & Leadership – Take on a leading role in our specialized department.
- ✔ Cutting-Edge Equipment & Facilities – Fully equipped in-house lab, advanced imaging, endoscopy, and more.
- ✔ Collaborative & Supportive Team – Work alongside specialists in surgery, cardiology, neurology, dermatology, oncology and anesthesiology.
- ✔ Work-Life Balance – Digital time tracking, overtime compensation, Attractive Benefits
- ✔ Professional Development – Personalized training & cost assumption for further education.
- ✔ Relocation Support – Assistance in finding accommodation and contribution to moving costs.

What You Bring:

- ✔ Degree in Veterinary Medicine & Several years of clinical experience
- ✔ Specialist title in Internal Medicine (or ESAVS certification)

Sounds like a perfect fit? Let's talk!
