

Internal Medicine Specialist Locum – SASH Sunshine Coast

We are also looking for a Locum for the month of January, 2026 but will also consider a permanent position for the right person. What a beautiful part of the world to welcome in the new year!

The Small Animal Specialist Hospital (SASH) was established in 2007 and is the largest vet-owned and vet led group of emergency and referral hospitals across Australia. We now have 7 hospitals in the network, including the beautiful Sunshine Coast Hospital. Our purpose-built modern facility has been recently refurbished, providing a state-of-the-art clinical space for our team to produce gold-standard patient care. Boasting a relaxed beach lifestyle, with plenty of beautiful beaches by our doorstep, along with stunning subtropical hinterlands to explore on your weekends, the Sunshine Coast offers something for everyone. Located only 1 hour North of Brisbane and 30 minutes from the popular holiday destination Noosa, you will find perfect weather all year round, along with world heritage sites Fraser Island and the Great Barrier Reef ready to explore. To find out more about Australia's amazing Sunshine Coast, please visit: <https://www.youtube.com/watch?v=pKyQxGI5s9U>

The team is fully equipped with state-of-the-art technology including endoscopy, CT, ultrasound and fluoroscopy, enabling the team to perform extensive interventional workups for their patients. We provide a complete range of clinical services to our patients with our network of hospitals working collaboratively together across the country. The Internal Medicine Position:

Having been well established with a committed clientele, we are looking for a fourth vet to join our collaborative and committed team. This department works extremely closely with the referral vet community to treat some of the most complex medical cases. You will work in a multidisciplinary setting with our extensive network of SASH specialists, providing you with a truly collaborative experience and assisting you to achieve the best results for your patients. *We are also looking for a Locum for the month of January, 2026 but will also consider a permanent position for the right person. What a beautiful part of the world to welcome in the new year!*

To be considered for this position, you will:

- Value a hospital culture of inclusivity, empathy and teamwork.
- Be passionate about providing gold standard care
- Be eligible to register as a veterinarian in Queensland and a qualified specialist in Internal Medicine, Fellow (ANZCVS) or Diplomate (ACVIM, ECVIM).

What's in it for You?

You would be joining a business that is highly committed to our people, supporting them to achieve their goals. Just a few of the perks included in this opportunity are:

- Attractive salary package with no commission structure, encouraging case collaboration across our teams
- Fast and fuss free Visa process!
- Excellent work-life balance
- Working in a veterinarian owned organization with leaders who understand the priorities and purpose of specialty and emergency medicine
- Collaborating with a like-minded and dedicated group of SASH specialists, residents, nurses and support team members
- Employee discounts and social events

If you're interested in a great opportunity to grow in a fast-paced environment, with excellent facilities on challenging and rewarding cases, we would love to hear from you!
