

Locum -Small Animal internal Medicine Specialist – (Maternity cover 12 months)

About QVS:

Queensland Veterinary Specialist (QVS) is Australia's longest established, privately owned 24/7 specialist group. We treat every pet as a cherished member of the family, ensuring they receive the highest standard of care. We have Three Specialist and Emergency hospitals currently Stafford, North Lakes with our newest hospital in the beautiful Sunshine Coast. All our hospitals are equipped with state-of-the-art facilities and veterinary technology to provide the very best in patient care. We are looking for an experienced Specialist to provide maternity leave cover within our dynamic Medicine team that values compassion, collaboration and clinical excellence.

About the Sunshine Coast:

Just an hour's drive from Brisbane, the Sunshine Coast is easily accessible and easy to navigate. Enjoy a balanced lifestyle in one of Australia's most beautiful coastal regions with pristine beaches that sit alongside subtropical rainforest and majestic mountains, interspersed with villages steeped in history. This role is ideal for a specialist looking to enjoy a supportive environment while advancing their medicine skills.

About the Role:

A typical day as an Internal Medicine Specialist at QVS starts with morning rounds alongside our multidisciplinary team. You'll consult on referred cases, perform advanced procedures such as endoscopy, bone marrow aspirates, CSF collection, and joint taps, and work closely with pet owners to interpret imaging (CT, MRI, ultrasound) and develop tailored treatment plans. Our specialists also mentor Residents and Registrars while overseeing inpatient care and ensuring gold-standard communication and outcomes for every patient.

What we offer our Specialists:

- A values-driven, high-performance culture that results in a collaborative, enjoyable and supportive work environment
- Market leading remuneration packages including equity ownership options
- Generous continuing education allowances investing in your professional development
- Financial assistance with relocation support for local and interstate candidates

- Employee discounts and social events fostering our enjoyable workplace environment and culture

Requirements of the role:

- Be a Board qualified specialist in Internal Medicine being either a Fellow (ANZCVS) or Diplomate (ACVIM, ECVIM).
- Leadership and Management experience is highly desired

What will make you stand out:

- You will be a committed, intelligent, open-minded scientist and dedicated veterinarian.
- You will demonstrate a high level of communication skills.
- You will deliver gold class care to all our patients.

If you have successfully completed an accredited residency training program in small animal medicine and are eligible to take a certification examination, we would be delighted to receive your application.
