

## **Neurology and Neurosurgery Specialist - Adelaide**

At SASH, we believe the highest standards in veterinary care are achieved when clinical expertise is delivered by compassionate, motivated people in a caring and supportive environment. Inspired by the special bond between animals and people, we constantly strive to help pets and their families live their best lives.

SASH Adelaide is ready to expand our Neurology and Neurosurgery team and we are looking for our second passionate Neurology and Neurosurgery Specialist, joining Residency trained Dr Laura McLeay. You will be working closely with internal medicine, surgery, 24 hour emergency, critical care, radiology, dermatology, ophthalmology, oncology and physiotherapy, with plans to add cardiology in the coming months.

Our Adelaide facility has been fitted with a purpose-built Emergency and ICU space, run by 2 Criticalists and 1 Registrar, making it the perfect time to join our neurology team. Your patients will have access to the full service in-house lab, Ultrasound, CT scanner, MRI, digital radiography, EMG/EEG, three well equipped surgical theatres including an interventional radiology space with C-arm and more.

### **About the Position:**

SASH Adelaide is looking for a second enthusiastic and dedicated Neurology and Neurosurgery Specialist to join our team. You will work in a growing multidisciplinary setting, whilst also having the opportunity to draw on the knowledge and experience amongst the extensive network of SASH specialists interstate, providing you with a truly collaborative experience and assisting you to achieve the best results for your patients. The opportunity is a full time, permanent position across a 4-day week.

Candidates for this position must:

- Value a hospital culture of inclusivity, empathy and teamwork.
- Be eligible to register as a veterinarian in South Australia and be qualified as a specialist in Neurology and Neurosurgery, being an ACVIM or ECVIM Diplomate.
- If you have completed an approved residency training program in neurology and are eligible to sit a certification examination, we would still love to hear from you!

### **What's in it for you?**

- Life in one of the world's most liveable cities, blessed with beautiful beaches, the stunning Adelaide Hills, an outstanding education system, and world-famous wine regions such as the Barossa Valley, McLaren Vale and the Clare Valley
- Attractive salary package with no commission structure, encouraging case collaboration across our teams
- Significant contribution towards relocation expenses and for international applicants, full reimbursement of any required visa or travel permit costs
- Generous continuing education allowance
- Excellent work-life balance
- Working in a veterinarian owned organization with leaders who understand the priorities and purpose of specialty and emergency medicine
- Collaborating with a like-minded and dedicated group of SASH specialists, residents, nurses and support team members
- Employee discounts and social events

If you're interested in a great opportunity to grow in a fast-paced environment, with excellent facilities, managing challenging and rewarding cases, we would love to hear from you! To apply, please forward your CV to our team
