VETERINARY SPECIALISTS AOTEAROA
AUCKLAND & CHRISTCHURCH

Short Commutes. Stunning Outdoors. Exceptional Lifestyle — Join VSA in Christchurch.

Our team is growing, and we are looking for an Internal Medicine Specialist to help us deliver on our mission of Exceptional Care Together. VSA began over 20 years ago with New Zealand's first privately owned veterinary referral hospital and has since developed into a network of specialist hospitals supporting the wider veterinary community. Every patient we see is treated as a valued member of their family, and we are proud to provide the highest standard of care when they need us most.

New Zealand

Nestled in the heart of Aotearoa, Christchurch, New Zealand, is a safe and thriving city renowned for its unique blend of modern amenities and natural beauty. Known as the "Garden City," Christchurch offers a picturesque backdrop with stunning parks, gardens, and the majestic Southern Alps in the distance. Boasting an international airport, reputable schooling system, and access to world-class healthcare, Christchurch provides residents with convenience and peace of mind. As the largest city in the South Island, it also features a vibrant cultural scene, a burgeoning tech industry, and a welcoming community. Here, in the gateway to the South Island, you'll find a perfect blend of urban sophistication and natural wonders, offering a lifestyle that combines the best of both worlds. Whether you're exploring captivating landscapes, immersing yourself in the arts and culture scene, or experiencing renowned Kiwi hospitality, Christchurch invites you to enjoy a unique and enriching life.

The Position

You will be joining a well-established and very experienced team in Christchurch - with a busy referral surgical case load, physiotherapy service, advanced imaging (in house 64-slice CT) and 24 hour patient care. Our internal medicine currently comprises three specialists and one cardiologist plus residents. This role is distinctive, offering the chance to become part of our supportive internal medicine team within our hospital group while simultaneously establishing services in the vibrant city of Christchurch. In addition, this role is supported by the wider hospital departments including specialist surgeons and radiologists.

This unique position allows you to be the sole provider of specialist internal medicine services in the South Island, providing an unparalleled opportunity for professional impact and growth. With the autonomy to build and develop the service, we are committed to providing robust support throughout the process. Enjoy 4 day work weeks that fosters a better work-life balance and increased employment satisfaction.

As part of your role you will be able to influence the recruitment of specialists, shape the nursing team, and contribute to the design of intern and residency training programs for this service.

At VSA, we are a collective team of veterinary experts, where our enthusiasm, motivation, and commitment to excellence resonate throughout the entire organisation.

Why VSA?

- A strong culture of excellence, fun and family that results in providing exceptional care to our patients, their families, our referring vets and each other.
- Market leading remuneration and benefits package including a pathway to equity
- Generous allowances including up to 12 weeks paid leave for those looking to sit Board exams, registration
- Financial assistance with relocation support
- A commitment to your training and ongoing development, with access to our external CE portal and regular in-house training sessions, plus generous CPD allowances.
- Sponsorship for suitably qualified overseas applicants with a pathway to permanent residency

Requirements of the role:

Board qualified specialist in Small Animal Internal Medicine or a registrar planning to sit for Boards (Fellow ANZCVS or Diplomate ACVIM, ECVIM)

How to get in touch?

If you are a registered specialist or registrar in small animal internal medicine looking to be at the forefront of veterinary care, VSA welcomes your application. For a confidential discussion, contact Clinical Director, Dr. Alastair Coomer alastair.coomer@vsnz.co.nz and Recruitment Manager bridget.cassidy@sterlingvetgroup.com.
