

Internal Medicine Registrar or Specialist – Brisbane, Australia

Part-time or Full-time – Flexible arrangements welcome

Brisbane Veterinary Specialist Centre (BVSC) is a leading multi-disciplinary referral hospital north of Brisbane CBD. As demand for our Internal Medicine service continues to expand, we are seeking a Veterinary Internal Medicine Registrar or Board-Certified Specialist to join our team.

About Us

BVSC is committed to delivering exceptional referral specialist veterinary care through collaboration, innovation, and compassion.

Our purpose-built hospital is equipped with advanced technology to support outstanding patient care across Internal Medicine, Surgery, Oncology, and Emergency, including:

- Multi-slice CT scanner
- Digital radiography
- Advanced ultrasound and echocardiography
- Access to high-field 3T MRI
- Flexible and rigid endoscopy
- TrueBeam Linear Accelerator
- I-131 treatment facilities
- Hyperbaric oxygen therapy
- Comprehensive in-house IDEXX laboratory
- Developing ICU with mechanical ventilation capabilities

With purpose-built facilities, and a dedicated team of highly skilled professionals, BVSC offers specialists the opportunity to advance their careers while contributing to world-class patient care, research, and innovation.

A truly multidisciplinary hospital

What makes BVSC distinctive is the culture of genuine collaboration.

With Medical and Radiation Oncology services now established on-site, Internal Medicine clinicians benefit from real-time multidisciplinary input across complex cases. You'll work closely with specialists, experienced emergency veterinarians, and a highly skilled nursing team to deliver integrated patient care, from diagnosis through to treatment and ongoing management.

This is an environment where clinical discussions are encouraged, specialist expertise is valued, and patient outcomes are enhanced through teamwork.

About the Role

As a Veterinary Internal Medicine Registrar or Specialist at BVSC, you will diagnose and manage a broad range of complex medical cases while working closely with a collaborative multi-disciplinary team, emergency veterinarians, and highly experienced veterinary nurses.

The role is well-suited to both recently boarded and experienced specialists and offers opportunities to contribute to teaching and mentorship within the hospital.

We recognise that every clinician has different professional and personal priorities. Flexible arrangements can be tailored to suit your career stage, clinical interests, and lifestyle preferences. Our focus is on creating a sustainable and rewarding role that supports both exceptional patient care and life outside of work.

What we offer:

- **Competitive package:** Competitive salary + 12% superannuation/pension, CPD allowance and board exam support where applicable
- **Leave & Flexibility:** Generous leave entitlements including annual leave, study leave, paid parental leave
- **Relocation support:** Comprehensive visa support, relocation assistance and registration guidance
- **Wellbeing & Culture:** Access to Mental Health and Employee Assistance Programs, employee benefits, and a culture that values collaboration, professional growth, and work-life balance
- **Professional Development:** Access to the wider [VetPartners Specialty Network](#) for mentorship, training and research opportunities, multidisciplinary specialist support, and professional networking

Requirements

- Board-certified diplomate of the ACVIM or ECVIM-CA, or fellowship of the ANZCVS in Small Animal Medicine. Residency-trained candidates also considered.
- Eligible for veterinary registration in Queensland
- Alignment with BVSC's values of integrity, excellence, community, and genuine care.

Brisbane — Where Career Meets Lifestyle

Brisbane is the growing capital city in the sunny state of Queensland with a lifestyle that cannot be beaten. The Glass house mountains, idyllic beaches (equidistant to the Gold Coast and Sunshine Coast) and world class sporting events (upcoming Olympics, FIFA world cup) make Brisbane a very liveable city.

Get in touch

If this sounds like the right next step in your career, we'd love to hear from you. For a confidential conversation or more information, contact **Dr Alex Fox** at alex.fox@vetpartners.com.au.

BVSC is part of the [VetPartners Specialty](#) network and is an equal opportunity employer. We welcome applicants of all backgrounds and identities.
