

Anderson Moores Veterinary Specialists

Job Title: Veterinary Cardiology Specialist / Residency-Trained Clinician

Location: Winchester, Hampshire

About the Role

We are seeking an experienced **Veterinary Cardiology Specialist (Board-Certified)** or **Residency-Trained Clinician** to join our dynamic team. This is an exciting opportunity to work in a collaborative, referral-based environment, delivering exceptional care to patients with complex cardiac conditions.

Winchester is a beautiful area in the South of England with excellent connections to major airports (Southampton, Bournemouth, and London) and London.

Key Responsibilities

- Provide advanced diagnostic and therapeutic services for patients with cardiovascular diseases, including echocardiography, ECG interpretation, and interventional procedures.
- Collaborate with multidisciplinary teams (internal medicine, surgery, anaesthesia) to ensure comprehensive patient care.
- Offer clinical guidance and mentorship to interns, residents, and nursing staff.
- Communicate effectively with clients, providing clear explanations of diagnoses, treatment options, and prognoses.
- Contribute to the development of clinical protocols and participate in quality improvement initiatives.
- Engage in continuing education and maintain up-to-date knowledge of advancements in veterinary cardiology.

Requirements

- **Board Certification (ECVIM or ACVIM in Cardiology)** OR completion of a recognized cardiology residency program.
- Proven clinical experience in managing complex cardiac cases.

- Strong interpersonal and communication skills, with a commitment to client care and team collaboration.
- Ability to work in a fast-paced referral hospital environment.

Desirable Skills

- Experience in interventional cardiology procedures (e.g., pacemaker implantation, balloon valvuloplasty).
- Interest in teaching and mentoring veterinary professionals.
- Research involvement or willingness to contribute to clinical studies.

What We Offer

- Access to state-of-the-art facilities and advanced diagnostic equipment.
- Opportunities for professional development and CPD.
- Supportive, collaborative team culture.

Benefits

- 5 weeks holiday plus bank holidays and Birthday Leave (Holiday days and bank holiday days would be pro-rata for a 4-day week)
- RCVS and VDS fees paid
- External CPD funded
- Extensive free online Linnaeus CPD program
- Career progression opportunities
- Staff discount schemes
- Life Assurance
- Enhanced sickness pay
- Enhanced equal family leave
- E-car salary sacrifice scheme
- Employer contribution pension scheme
- Wellness program including:
 - Employee assistance program
 - Eyecare voucher scheme
 - Free annual Flu jab

- Cycle to work scheme
- Recruitment referral reward scheme
