

Ready for your next chapter in Australia?

We're looking for a residency-trained or board-certified Internal Medicine Specialist to join SASH Central Coast. We welcome both local and international applicants, with full visa sponsorship and relocation support for you and your family - so you can build your career while enjoying a more balanced coastal lifestyle within easy reach of Sydney.

Internal Medicine Specialist

Central Coast, NSW, Australia | Full-time

Looking for a referral hospital with a loyal client base, advanced facilities, and a genuinely supportive team—while offering a more balanced lifestyle?

SASH Central Coast is growing and we're hiring two Internal Medicine Specialists to join our multidisciplinary team.

Why SASH Central Coast?

- Vet-owned and led organisation with leaders on the floor
- Established referral hospital (part of a 4-site SASH network)
- Collaborative care across **40,000+ patients annually**
- Celebrating 5 years of gold-standard care in the region

Facilities & Clinical Support

- Internal Medicine, Surgery + Physiotherapy, Critical Care, 24/7 Emergency
- Ophthalmology, Dermatology, Oncology & Radiology
- **Dedicated ICU, endoscopy & medicine procedure suite**
- Full-service in-house lab
- Full-time, on-site Radiologist + Radiographer
- Network-wide PACS with **same-day imaging reporting**
- Strong collaboration across all SASH hospitals

The Role

You'll work in a highly collaborative medicine team alongside:

Dr Sonia McGill, Dr Stephanie Leeder, Dr Justin Wimpole & Dr Amy Dixon

- Manage a diverse and interesting referral caseload
- Work closely with multiple specialist departments

- Leadership opportunities available
- Flexible full-time or part-time options

About You

- Board-certified (ANZCVS Fellow, ACVIM or ECVIM Diplomate), or
- Residency-trained and exam eligible
- Values teamwork, empathy and high clinical standards

International applicants encouraged

We offer **visa sponsorship and relocation support**, with a pathway to Permanent Residency.

What We Offer

- Competitive salary + **annual bonus structure**
- Relocation package (including pets)
- Visa sponsorship + PR pathway
- Generous CE allowance
- Up to **8 weeks study leave** (if sitting exams)
- **8 weeks paid parental leave** (all parents)
- Flexible work arrangements for true work-life balance
- Leadership development opportunities
- Staff discounts + social events

Lifestyle

- Coastal and bushland living on the Central Coast
- Beaches within 10 minutes of the hospital
- More space, less commute, and strong community feel
