

Internal Medicine Specialist - SASH Alexandria

With everything happening around the world, now is the time to make the move that you have been thinking about and come to beautiful Australia! Join the team at SASH on our mission to help pets and their families live their best life.

The Small Animal Specialist Hospital (SASH) now has 8 hospitals across Australia, and we are looking to expand our Internal Medicine team at Alexandria, Sydney. If you enjoy living a city lifestyle, our Alexandria hospital is located only 10 minutes from Sydney's CBD and is central to all of Sydney's popular suburbs.

SASH is the largest Veterinary referral facility in Australia, providing a complete range of clinical services to clients and patients. Offering a truly collaborative environment, you will work closely with our onsite teams and broader network of over 80 specialists across various departments. Just a few of the teams you will work collaboratively with on site include; emergency and critical care, surgery, oncology, dermatology, diagnostic imaging, and anaesthesia.

The Internal Medicine Position:

We are currently looking for enthusiastic and dedicated Medicine Specialists to join our team. If you are looking for a team to support you, look no further! SASH has also invested in a built-for-purpose, brand new hospital. As part of your role you will:

- Examination, delivery and management of small animal internal medicine cases that present at SASH
- Completion of clinical records including prompt communication with referring veterinary clinics and clients as appropriate
- Participation in seminars, tutorials, rounds with interns and referring veterinarians
- Maintain standard small animal internal medicine protocols
- Ensure appropriate billing of clients whose animals are treated in the department
- Ability to work flexible hours on a roster system

- Participation on the out-of-hours roster including 1 in 5 weekends
- Meet clinical billing, invoicing and production levels as advised by your Leader

SASH is well placed to provide VISA and travel support to the right candidate, making the relocation process a breeze. So, if you are thinking of making the move to Australia, we are here to help!

To be considered for this position, you will:

- Value a hospital culture of inclusivity, empathy and teamwork.
- Be eligible to register as a veterinarian in Australia (NSW) and be qualified as a specialist in Internal Medicine either Fellow (ANZCVS) or Diplomate (ACVIM, ECVIM)
- Candidates who have complete an approved training program but are yet to finalise exams are welcome to apply.

What's in it for you?

It is a truly exciting time to join the SASH team, with endless career opportunities available. You will be joining a team that is highly committed to our people, supporting them to achieve their goals. Just a few of the perks included in this opportunity include:

- Attractive salary package without commission structure, encouraging case collaboration across our entire team
- 4 weeks of leave, which we encourage you to use!
- Significant contribution towards relocation and travel expenses including covering the entire cost of your Visa
- Generous continuing education allowance + Conference leave
- Excellent work-life balance
- Working in a veterinarian owned organisation with leaders who understand the priorities and purpose of specialty and emergency medicine
- Collaborating with a like-minded and dedicated group of SASH specialists, residents, interns, nurses and support team members
- Employee discounts and social events

If you are interested in the prospect of relocating to a country that can offer stability and safety, look no further than Australia!
