

Internal Medicine Specialist | SASH Sunshine Coast

- **Recently Refurbished Specialist Hospital**
- **Visa Sponsorship & Relocation Support Available**
- **Join One of Australia's Largest Networks of Internal Medicine Specialists**

Ready for Your Next Opportunity?

SASH Sunshine Coast is expanding our Internal Medicine Service and is seeking a qualified **Internal Medicine Specialist** to join our established and growing team.

Whether you're based in Australia or considering an international move, this is an exciting opportunity to work alongside a highly collaborative specialist network, manage a diverse and rewarding caseload, and enjoy an exceptional lifestyle on Queensland's beautiful Sunshine Coast.

At SASH, we're committed to delivering gold-standard patient care while fostering an environment where our people can learn, grow and do their best work. If you're passionate about advancing veterinary medicine and enjoy being part of a supportive, multidisciplinary team, we'd love to hear from you.

Why SASH?

The Small Animal Specialist Hospital (SASH) was established in 2007 and has grown to become Australia's largest veterinarian-owned and veterinarian-led network of specialist and emergency hospitals.

Across our hospitals, our mission is simple: **to help pets and their families live their best lives.**

When you join SASH, you'll become part of a community of specialists, residents, nurses and support teams who are united by a shared commitment to clinical excellence, collaboration and compassionate care.

Why Sunshine Coast?

Our Sunshine Coast hospital has recently undergone extensive refurbishment, providing a modern, purpose-built environment equipped to support advanced specialist care.

Located just one hour north of Brisbane and within easy reach of Noosa, the Sunshine Coast offers the perfect balance of career opportunity and coastal living. With beautiful beaches, a thriving café and restaurant scene, stunning hinterland landscapes and year-round sunshine, it's an exceptional place to live and work.

The Opportunity

Due to continued growth and a strong referral base, we are looking to welcome an additional Internal Medicine Specialist to our team.

You'll join an established Medicine service with a loyal and committed client base, working alongside a highly experienced multidisciplinary team to manage complex and rewarding cases. The Medicine team works closely with our referring veterinarians and other specialist services to provide seamless, multidisciplinary care for complex cases.

Our clinicians are supported by state-of-the-art equipment, including:

- Endoscopy
- CT
- Ultrasound
- Fluoroscopy

As part of the broader SASH network, you'll also have access to **one of the largest and most collaborative groups of Internal Medicine Specialists in Australia**. This provides outstanding opportunities for case discussion, professional development and shared expertise across hospitals, ensuring the best possible outcomes for your patients.

Whether you're seeking a permanent role or a locum opportunity, you'll be joining a team that values clinical excellence, curiosity, collaboration and continuous learning.

About You

To be considered for this opportunity, you will:

- Be eligible for veterinary registration in Queensland.
- Be a qualified Specialist in Internal Medicine, Fellow (ANZCVS) or Diplomate (ACVIM or ECVIM), and be eligible for specialist registration in Australia.
- Be passionate about delivering exceptional patient care.
- Enjoy working collaboratively within a multidisciplinary specialist environment.
- Value a culture built on inclusivity, empathy, respect and teamwork.

What's in it for You?

At SASH, we're invested in the success of our people and committed to supporting both your professional and personal goals.

Benefits include:

- Attractive salary package with no commission structure, encouraging genuine collaboration across teams.

- **Visa sponsorship and comprehensive relocation support**
- Permanent and locum opportunities available.
- Excellent work–life balance.
- A veterinarian-owned and led organisation, guided by leaders who understand the priorities and purpose of specialist and emergency medicine.
- Access to a highly collaborative network of specialists, residents, nurses and support teams across Australia.
- Recently refurbished facilities and advanced diagnostic equipment.
- Employee discounts and social events.
- Ongoing opportunities for professional growth and development.
