

Internal Medicine Specialist – Sydney, Australia | Visa Sponsorship Available

Ready for your next chapter in Australia?

SASH is seeking a **board-certified Internal Medicine Specialist** or **residency-trained veterinarian in Small Animal Internal Medicine** to join our growing team in Sydney.

We welcome applications from both **local and international candidates**. For candidates seeking a **full-time position**, SASH offers **visa sponsorship and relocation support for you and your family**, making the move to Australia seamless while advancing your specialist career and enjoying Sydney's exceptional lifestyle and quality of life.

While this opportunity is based out of **SASH Western Sydney**, we are seeking a **full-time Medicine Specialist who will work across multiple SASH locations within our NSW network**. This unique model provides exposure to diverse caseloads, collaboration with a large team of specialists, and the flexibility to shape a role that aligns with your professional interests and lifestyle.

We also welcome applications from specialists interested in a **part-time position with our Western Sydney team**. Please note that **visa sponsorship and relocation assistance are available for full-time positions only**.

Why SASH?

The **Small Animal Specialist Hospital (SASH)** is the largest privately owned network of specialist and emergency veterinary hospitals in Australia, with **eight hospitals nationwide**. Our collaborative, multidisciplinary environment enables you to work alongside leading specialists while drawing on the expertise of the broader SASH network to achieve the best outcomes for your patients.

Our Western Sydney hospital offers:

- Internal Medicine
- 24/7 Emergency & Critical Care
- Radiology
- Oncology
- Ophthalmology
- Surgery, Sports Medicine & Physiotherapy
- Dermatology

You'll have access to a dedicated ICU, full-service in-house laboratory, endoscopy, a dedicated medicine procedure room, and a highly experienced on-site radiology team supporting your ultrasound, CT, MRI and radiography needs.

The Opportunity

We're expanding our Medicine team and are looking for an enthusiastic and dedicated **Internal Medicine Specialist or board-eligible candidate** to join:

Dr Lucy Barker, Dr Chelsea Lim, Dr Josh Kennils, and Dr Stephanie Shield

supported by our dedicated Internal Medicine Intern.

Our purpose-built hospital has been designed with specialist teams in mind and features:

- Siemens 64-slice CT
- 1.5 Tesla MRI
- Ultrasound
- Fluoroscopy
- Digital radiography
- Dedicated Medicine procedure area
- Endoscopy suite

What truly sets our department apart is our team. We are fortunate to work alongside an exceptional group of highly skilled Internal Medicine nurses who provide outstanding procedural support, deliver excellent client communication and education, and help ensure seamless patient care. Each specialist is supported daily by dedicated procedural nurses, allowing you to focus on delivering the highest standard of care.

The full-time role is designed around a **4-day work week**, with time shared across multiple hospitals within our NSW Medicine network.

About You

To be considered, you will:

- Value a culture of inclusivity, empathy and teamwork.
- Be eligible for veterinary registration in NSW, Australia.

- Hold specialist qualifications in Internal Medicine as a Fellow (ANZCVS) or Diplomate (ACVIM/ECVIM).
- Be board-eligible and seeking a supportive environment to complete your specialist pathway (strongly encouraged to apply).

What's in it for You?

At SASH, we're committed to helping our people thrive professionally and personally.

Benefits include:

- Attractive salary package with a values-based bonus program, recognising teamwork, culture and contribution rather than production.
- Visa sponsorship, relocation assistance and travel support for full-time international candidates.
- Significant relocation assistance, including visa expenses for you and your family.
- Long-term career opportunity within a veterinarian-owned and led organisation.
- Generous continuing education allowance.
- Support to attend ACVIM/ECVIM conferences, including **one week of paid conference leave annually**.
- Excellent work-life balance, including **4 weeks annual leave plus 10 public holidays**.
- Overnight case management by an experienced Emergency team with Criticalist support.
- Bring your pet to work.
- Access to and collaboration with **31 Internal Medicine Specialists across the SASH network**.
- A genuinely collaborative culture across our hospitals.

If you're looking to join a highly experienced, supportive team with state-of-the-art facilities, an established referral network and a loyal client base, we'd love to hear from you.
