

San Marco

Three - year Residency Training Programme in Cardiology

Position

San Marco is currently accepting applications for a 3-year ECVIM-CA approved residency program in Cardiology. The start date of the program will be determined in agreement with the selected candidate. San Marco Veterinary Clinic is a state-of-the art tertiary hospital with an annual caseload of approximately 11000 patients.

Requirements

Applicants must have successfully completed a 12-month rotating internship or its equivalent (2 years working in first opinion practice). It is mandatory to speak basic Italian, willing to improve the language and have good knowledge of English. Applicants must have an enthusiasm for discipline and ability to work as part of a dedicated team. The short-listed candidates will be informed of the dates and times of the in-person interviews. By 4th November 2026, interviews will be conducted in person or online. Prior to the interview, short-listed candidates are encouraged to visit San Marco Veterinary Clinic.

Applications

Should include:

- curriculum vitae (up to date)
- letter of intent
- two reference letters
- certificates (degree, internship certificate, professional titles)
- Applicants have to be members of the National Register of Italian Veterinarians or demonstrate that they will be able to obtain this status by the time the residency is starting.

Deadline for applications: 21 October 2026

Info & Contact

The candidate should email their application to Valentina Patata, DVM, Ph.D., ECVIM-CA Diplomate, EBVS® European Veterinary Specialist in Cardiology, valentina.patata@sanmarcovet.it Program director: Valentina Patata, DVM, Ph.D., ECVIM-CA Diplomate, EBVS® European Veterinary Specialist in Cardiology
